HUBBA-HUBBA, DING-DING! DATATEL NOW DOES EVERYTHING!

DataTel now provides High-Speed Internet!

This means that DataTel Communications – the folks that have earned the trust of thousands of businesses – can now install, support, finance, and bill for EVERYTHING related to communications – including providing INTERNET

- Voice Connectivity
- High-Speed Internet
- Phone Systems on Site(s)
- Hosted Phone Systems
- Business applications and software tools
- Basically everything we associate with communications.

We're talking A to Z, Soup to Nuts, the Whole Enchilada, Hook, Line, and Sinker, the Whole Kit and Caboodle.

Today, with a single call, e-mail, or well-placed smoke signal, you can attend to EVERY business communication need or wish-list items within ONE trusted group! DataTel!

Think of the time you'll save! Money too!

It's never been more true: "One Call Does it All" – **1-208-884-4000**.

- Is your business running smoothly?
- Are you getting the RPM and MPH you'd expect?
- Is your (communication) engine overheating?
- Do you suffer from "feature envy"?

Many are really surprised by the number of very cool communication and business tools that can be integrated into *existing* phone systems.

A mere 30 minutes is all we need to share the amazing possibilities that will keep your business in tip-top performance and longevity. Varrooom!

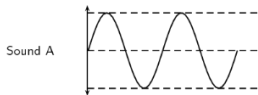

Getting to know you.....

Does your know-it-all Uncle know these facts?

Venus is the hottest planet in the solar system with a surface temperature of 860° F

The speed of sound is 767 MPH at sea-level. UNDER the sea, it's about 3,450 MPH!

The rarest blood type in humans is AB negative. Less than 1% of us.

The hardest substance in the human body is tooth enamel – chew on that.
